

THE CULINARY EXPERIENCE AT INFORMA U.S. BOAT SHOWS

Proof of the Pudding is an award-winning, nationally recognized catering organization, one of the largest based in the South.

We feature innovative and trend-setting menu creations that exceed the highest standards of quality, freshness, taste and presentation. As the one-stop shop for all of your catering food and beverage needs, we are proud to craft a unique culinary experience for your event. With 39 years of food service and management experience, Proof of the Pudding brings Culinary & Mixology Excellence to the Nation's Top Boat and Yacht Shows.

FOOD & BEVERAGE OPTIONS

Your Customer Catering Event

Enjoy our full line of breakfast, lunch, receptions (including passed hors d'oeuvres) and Chef-attended action stations...from wood-fired pizza, fresh seafood to local specialties. We also feature a full Mixology Experience...from passed premium wine and champagne, to customer Mixology cocktails inside your display or on a boat.

Online Catering Store & Commissary

Our online Gourmet-To-Go store will give you the ease to order online and Proof will deliver to your display or boat. We can also supply bulk items (water, soda, ice, snacks, etc.) and deliver them to your display or boat. Reach out to Paulette Hopkins to learn more about our store and all of our options.

Local Restaurant Row & Mixology Experiences

On the culinary side, we are very excited to be collaborating with our Florida-based providers to deliver amazing food and beverage options for our guests that highlight the unique flavors of each of the boat show local host cities. Beverage experiences will include specialty cocktails, premium wines and a full line of craft beers.

No Styrofoam

100% Post Consumer Waste Products

Sustainable Considerations

Sustainable considerations are always at the forefront of our minds. We never use Styrofoam products and, when we do use disposable items, we make sure that they are plastic-free and 100% post-consumer waste products. We also prohibit the use of plastic straws due to their harmful environmental impact.

Your Catering Sales Contact

Susie Witte, Catering and Event Sales Specialist
